# THE SKY IS NO LONGER THE LIMIT

SCHOOL OF MEDICINE  
EDUCATION BUILDING

Up to 80 students are admitted to UCR's **School of Medicine (SOM)** each year, with 24 seats reserved for UCR undergraduate students who applied through the **Thomas Haider Early Assurance Program (EAP)**. EAP, the only program of its kind in the UC system, guarantees School of Medicine admittance to successful applicants who earned their bachelor's degrees at UCR. UCR undergraduates interested in a career in medicine can also take advantage of specialized programs on campus including **FastStart**, a program for incoming freshman interested in careers in medicine or science, the **Future Physician Leaders (FPL)**, a mentorship program for pre-med students, and the **Health Professions Advising Center**, an advising and mentorship resource. [medschool.ucr.edu](https://medschool.ucr.edu)

At UCR, our vision is a lot like your potential. Limitless.

Researchers in UCR assistant professor of entomology Naoki Yamanaka's lab investigate the hormones and receptors that play a role in insect development, and are interested in how that knowledge can be applied to mammal development. Studies are underway across campus that will impact our understanding of ourselves and the world around us. As an undergraduate at UCR, you can work alongside our dedicated faculty on groundbreaking research that will help you look farther. Reach higher. Think deeper. [ssp.ucr.edu](http://ssp.ucr.edu)

 UCR is #2 in the world for entomology (The Center for World University Rankings, 2017).

# BRING YOUR BRILLIANCE

Contrary to popular belief, brilliant minds don't think alike. Quite the opposite. Brilliant minds are unique. Innovative. Insightful.

At a diverse campus like UCR, students and faculty from different backgrounds and cultures come together to make us all stronger. Sharper. Closer. Smarter.

So please, bring your brilliance to UCR. We'll help you share it with the world.

# A GENEROSITY OF SPIRIT

It's what our students are known for.

Year after year, UCR ranks among the nation's top schools when it comes to contributions to the public good. In fact, UCR was ranked #3 in the nation for producing the most altruistic/community service-minded students (Pillars.com, 2017). After all, the true value of an education is not the knowledge and experience you receive, but the knowledge and experience you share with the world. [communityservice.ucr.edu](http://communityservice.ucr.edu)

 UCR is listed among the nation's best ethnically diverse universities (*U.S. News & World Report*).

# YOUR HOME AWAY FROM HOME

---

*Glen Mor, one of UCR's campus housing options, is home to more than 1,300 continuing and transfer students. Residents live in single-occupancy rooms in two- or four-bedroom floor plans with shared bathrooms. Amenities include study rooms, computer labs, a pool, gaming lounge, market and multiple dining options.*

## Live it. Love it. Eat it up!

UCR residence halls are like a home away from home, but just a little more awesome! Seriously. Does your house have more than 6,000 supercool brothers and sisters to hang out with? Does it have a computer lab? Hall-to-hall competitions? Cultural celebrations? Plus, we cook for you: American and international cuisines. Specialty menus. And healthy meals! Campus living isn't just for freshmen — UCR has housing options for transfer students and students with families too! [housing.ucr.edu](http://housing.ucr.edu)

Look for our four UCR-based food trucks on campus:  
*The Culinary Chameleon, Growl Grill, Scotty's Caffeine Machine and our soft-serve ice cream Moo Moo Truck!*

# THE HEART OF SOUTHERN CALIFORNIA

In Southern California, excitement is always around the corner.

Adventure awaits. From the mountains to the deserts. From Hollywood to Coachella. From world-class beaches to world-class amusement parks. At UCR, our gorgeous, green campus is almost always sunny, but thanks to the awesome people around you, you'll be even more impressed by our warmth.

 UCR is ranked among the Top 100 safest colleges in the nation (Alarms.org, 2017).

 Riverside, California, is home to a vibrant arts scene, a trendy downtown and the award-winning Mission Inn, a AAA Four Diamond Resort.

# DIVE INTO LIFE

Life doesn't start after college. Life starts now. We can help you get all you can out of your undergrad years. Do an internship. Study abroad. Take advantage of UCR's full-service Career Center – where it's never too soon to learn resume building, develop interview skills or attend career fairs. [careers.ucr.edu](https://careers.ucr.edu)

Use your membership to the Student Recreation Center to take fitness classes, lift weights, learn how to cook healthy meals or take a dip in the 237,000-gallon pool (pictured here). [recreation.ucr.edu](https://recreation.ucr.edu)

At UCR, our strength lies in our diversity. Connect to your heritage and explore different cultures through special events and programming held on campus throughout the year. Discover community, find mentors and develop as a leader with the eight offices that make up Ethnic & Gender Programs.
