

4 FINISH IN FOUR CLASS OF 2019

Save Time. Save Money. Graduate on Time!

Full-time is 15 credits
15 credits per quarter = 4 years to graduate

Take and pass 15 credit hours per quarter (45 units per academic year) and you can graduate in four years. To graduate with a bachelor's degree, you'll have to complete at least 180 units.

Top Four Reasons to Finish in Four!

Save Money!

Adding extra quarters costs extra money.

Make Money!

Get paid instead of paying for school.

Finish with Your Friends!

Don't get left behind by friends who will graduate in four years.

Save Time!

Stay focused and stay on track.

Use these resources to stay on track to **GRADUATE IN 4 YEARS.**

ACADEMIC ADVISING

Advisors can help you develop a four-year plan and make sure you're taking the required courses. Make an appointment with your college advisor.
