**YEAR AT UCR // Class of 2018**

**CAREER POSITION // Academic Counselor, Community Engagement and Outreach, with UCR Undergraduate Admissions**

**TRANSFERRED FROM // Moreno Valley Community College**

## Career Path

UC Riverside offered me a career position right after graduation — that speaks volumes about how much they want you to succeed here at UCR. I am now working with the Undergraduate Admissions department as an admissions counselor and Umoja\* advisor working directly with African-American transfer students. I am so thankful to have a platform where I can have a larger impact on students.

## Opportunities and Support

I greatly benefited from African Student Programs, Career Center, Transfer Success Zone and Education Abroad — all of which were [vehicles] to great opportunities that included creating a thriving student organization, getting a jump start in a career that I love, providing me a space to connect with other transfer students and to travel the world.

## Impacting the Future

I fell in love with the mentorship and research experience I gained from the University S.T.E.M. Academy (USA) at UCR. It gave me the opportunity to give back to my community by connecting with African-American students in grades six through nine to further engage them in S.T.E.M. subjects. I mentored these incredible kids and infused them with educational values, access to higher education and helped groom them to be future leaders in our community. This experience helped me discover my purpose.

## Global Perspective

I was fortunate enough to participate in the UC Education Abroad Program. ... Studying abroad made me more culturally well-rounded and, more importantly, a global leader. If you are considering studying abroad, get your passport and take the leap. There is a seat on a plane with your name on it.

**MAJOR // Neuroscience**

**TRANSFERRED FROM // Victor Valley College**

## Community of Support

I was very lost in the whole college process because I am a first-generation student, so I didn't even know how to apply to college. When the Puente\* counselor talked about how they were a community of first-generation students who all wanted to transfer to a four-year university, I thought it was perfect for me. ... Through Puente Connection at UCR I found people who have also been through the same experience.

## Helping Hand

I had a student mentor who was also a neuroscience major. She helped me out with the classes I should take and also with activities going on in school.

## Diving In

Some of my proudest moments at UCR were being in a class that deals with my major. I took biology and chemistry classes at my community college, but actually taking a class in neuroscience made me feel like I'm finally learning what I am interested in.

## Lessons Learned

UCR taught me how many resources I need to achieve a good grade in the classes I'm taking, that includes going to office hours and going to supplemental instruction. ... UCR has provided a lot of resources to help me succeed.

## **Motivated to Succeed**

Coming to UCR from a community college is frightening at first, but I came here with the intent to better myself. The moment I chose to apply myself and take action was when I saw myself starting to grow with the campus.

## **Confidence and Accomplishment**

One of my proudest moments was when I realized that I was surrounded by like-minded individuals. Being around these people helped me accomplish things I could not imagine doing before, such as becoming a director for the Associated Students Program Board (ASPB). Now I am confident that I am capable of achieving more.

## **Commitment and Hard Work**

UCR has taught me the level of commitment and hard work needed to get through the engineering program. Some of the classes are pretty tough, and you get to know how strong you are. It's on a different level than the community college level so you have to come prepared.

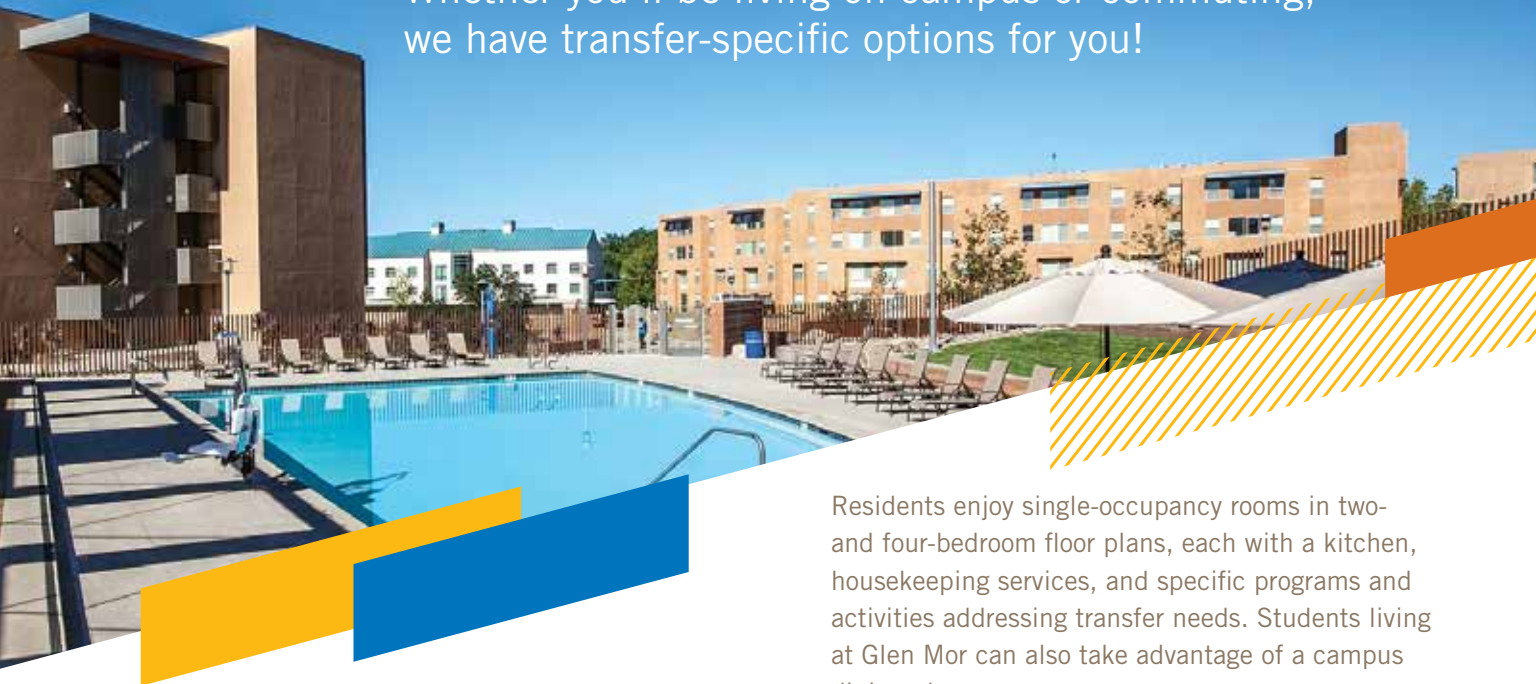

## **How Far I've Come**

What keeps me going is how far I've come. Seeing how much time community college and getting here has taken, [this opportunity] is not to be taken for granted.

# Live It Up! Live on Campus or Commute.

Whether you'll be living on campus or commuting, we have transfer-specific options for you!

## Housing

Live on campus to immerse yourself in the college experience, network with peers and surround yourself with extra support to boost your success.

**Transfer Student Housing:** Transfer students can live at UCR's Glen Mor Campus Apartments, a resort-like community with a swimming pool, gaming lounge, computer lab, and even a food market and Starbucks.

Residents enjoy single-occupancy rooms in two- and four-bedroom floor plans, each with a kitchen, housekeeping services, and specific programs and activities addressing transfer needs. Students living at Glen Mor can also take advantage of a campus dining plan.

**Family Housing:** We offer family housing adjacent to campus so you can keep your commitments to your family and your education.

## Commuting

If you commute to UCR, we offer many ways to keep you connected, including a New Student

Commuter Welcome, social events, informational workshops on alternative transportation and online resources.

Get notified of current commuter events by liking [@commuterprogramsatucr](#) on Facebook.

## Dining

From Residential Restaurants to numerous campus dining options, food trucks, convenience stores and markets, take your pick from a variety of quality cuisines and menus at UCR. Whether you want a quick grab-and-go snack, a hot lunch or a hearty sit-down dinner, you have plenty of dining options here on campus — plus even more a just short walk away.

# Good Vibes. Good Times.

**Experience the friendly, positive community here.  
Get involved to be part of it all!**

- Have fun and make friends! UCR offers incredible social opportunities with concerts, music festivals, fun fairs, cultural celebrations, guest speakers, film screenings, theater productions, poets, performers and more than 450 student organizations.
- Your wellness matters here. That's why we offer 24/7 counseling services, a Student Health Center and an amazing Student Recreation Center with a huge swimming pool, weight and cardio areas, fitness classes, basketball and tennis courts, intramural sports, an indoor track, and even a rock climbing wall and bouldering area.
- Go on a day or overnight adventure with Outdoor Excursions — kayak, hike, climb, snorkel and more.
- Highlanders care about each other and our community. There are many opportunities to serve, including peer mentoring, the R'Pantry emergency food bank, student service organizations and more.

# Transferring as a Junior

You are considered a transfer applicant if you registered at a college or university for a regular session (besides the summer after graduation) after completing high school. You may not disregard your college record and apply as a freshman. UCR accepts junior-level transfers and will give priority consideration to those from California Community Colleges.

## 1.) UC ADMISSION MINIMUM REQUIREMENTS

- You must complete 60 semester (90 quarter) units of transferable college credit with a minimum GPA of 2.4 (California residents) or 2.8 (nonresidents).
- You must complete, with grades C or better, by the end of spring term prior to transfer:
  - Two courses in English Composition
  - One course in Mathematical Concepts and Quantitative Reasoning
  - Four courses selected from at least two of the following subject areas: Arts and Humanities, Social and Behavioral Sciences, Physical and Biological Sciences
- Each course must be transferable and worth at least 3 semester (4–5 quarter) units.

## 2.) TAKE COLLEGE BREADTH (GENERAL EDUCATION) COURSES

Although not required for admission, completing general education or Intersegmental General Education Transfer Curriculum (IGETC) requirements before transferring, gives you more freedom in selecting courses when you enroll at UCR and helps them complete your degree on time.

### IGETC

Visit [ASSIST.org](https://assist.org) for specific articulation (course equivalency, breadth and major requirement satisfaction) information.

## 3.) SATISFY SELECTION CRITERIA FOR YOUR INTENDED MAJOR

### *Marlan and Rosemary Bourns College of Engineering (BCOE)*

Students are selected on the basis of academic preparation. Admission is selective based on the GPA in all transferable coursework with a

minimum GPA of 2.8 and completion of required major preparatory coursework by the end of the spring term prior to transfer. College breadth courses are recommended, which can be found on [ASSIST.org](https://assist.org). IGETC is accepted.

### *College of Humanities, Arts, and Social Sciences (CHASS)*

Admission is selective based on GPA in all transferable coursework with a minimum GPA of 2.4 and completion of required major preparatory coursework by the end of the spring term prior to transfer. Psychology and Neuroscience applicants must have a minimum 2.7 in all transferable college coursework. Art (Studio) applicants will be required to submit a portfolio for review. Please visit [ASSIST.org](https://assist.org) for breadth requirements. IGETC is recommended.

### *College of Natural and Agricultural Sciences (CNAS)*

Students are selected primarily on the basis of academic preparation, as assessed by their GPA in academic coursework and strength of preparation for the intended major. Admission is selective based on GPA in all transferable coursework with a minimum GPA of 2.7. One year of Calculus is required, along with additional Science and/or Math lower-division major preparation, as indicated in the articulation agreements on [ASSIST.org](https://assist.org). IGETC is accepted.

### *Graduate School of Education (GSOE)*

Admission is selective based on the GPA in all transferable coursework with a minimum GPA of 2.4. Applicants can complete IGETC or the UCR breadth pattern for GSOE, which can be found at [ASSIST.org](https://assist.org).

### *School of Business*

Admission is selective based on the GPA in all transferable coursework with a minimum GPA of 2.7. Applicants must complete all breadth requirements (or IGETC) and the seven published major prerequisites. Please visit [ASSIST.org](https://assist.org) for requirements. IGETC is highly recommended.

### *School of Public Policy (SPP)*

Admission is selective based on the GPA in all transferable coursework with a minimum GPA of 2.4. Applicants can complete IGETC or the UCR breadth pattern for SPP, which can be found at [ASSIST.org](https://assist.org).

## THE GPA FOR ALL COLLEGES/MAJORS IS A BASELINE AND NOT A GUARANTEE OF ADMISSION.

## Apply Early for Financial Aid – A World Class Education is Within Reach!

UCR distributed more than \$455 million in financial aid for the 2017–18 academic year to undergraduate students. Complete the Free Application for Federal Student Aid (FAFSA) online by the priority filing deadline of March 2 for the best chance of getting the assistance you need. [fafsa.ed.gov](http://fafsa.ed.gov)

## Financial Aid for Dream Act Students

At UCR, we are committed to keeping undocumented students and their families aware of all available resources. For the sake of securing financial aid, all undocumented students should apply for the California Dream Act by March 2, and visit UCR's financial aid website at [finaid.ucr.edu](http://finaid.ucr.edu) for additional document deadlines. You should also apply for scholarships to help with expenses not covered by the CA DREAM Act. You never know. You may receive more aid than you thought possible!

## Non-Resident Achievement Scholarship

Admitted out-of-state freshman and transfer students are automatically considered for the Non-Resident Achievement Scholarship, and can receive up to \$4,500 per quarter toward their UCR education. [go.ucr.edu/nrscholarship](http://go.ucr.edu/nrscholarship)

## Middle Class Scholarship

The Middle Class Scholarship (MCS) program provides funding to help California-resident, middle-class students attend the University of California. If your family's income and household assets are under \$171,000 per year and you qualify for this scholarship, you will be provided with scholarships that help cover up to 40 percent of UC's systemwide tuition and fees.

## Blue + Gold

Undergraduate California residents whose family income is less than \$80,000 per year may be eligible to receive grants and scholarships to cover the full amount of system-wide fees.
