INTRODUCTION AND PURPOSE

Changing the Catalog Term on the student curriculum in **SFAREGS** and **SGASTDN**.

RELATED POLICIES, REGULATIONS, GUIDING PRINCIPLES, AND COMMON PRACTICES

Academic Senate Regulation R6.12 states as follows: To be awarded the bachelor’s degree, a student must either (a) meet graduation requirements in the UCR catalog in effect in the year of his/her graduation from the Riverside campus; or (b) fulfill graduation requirements in one UCR catalog applicable during any of the previous four years in which the student successfully completed at least one quarter or one semester of full-time college-level work, regardless of where matriculated. Upon applying for candidacy, the student must specify the applicable catalog.

The colleges agreed (October 2015) that the interpretation of this regulation is that students earning two majors and one degree cannot use different catalogs for their requirements. They must use the same catalog. Students earning two degrees (i.e. a B.S. and a B.A.) may utilize requirements from different catalogs. Minors should have the same catalog of the major.

Graduate students have the choice of using the catalog in effect the year they enter the program, or the catalog in effect when they advance to candidacy.
