A recommendation to the Senate and Executive Cabinet for the re-appointment of Former Justice Catherine Ghipriel

Decided June 12, 2015

The Judicial Council of ASUCR moved on June 12, 2015 to provide a recommendation for the reappointment of Former Justice Catherine Ghipriel to the Executive Cabinet and Senate of the 2015 - 2016 School year with a vote of 3-0-1.

The Council agrees that whilst completing Former Chief Justice Matthew Richardson's term, Ms. Ghipriel has exhibited the temperament worthy of a Justice especially during the election period of 2014-2015. Her dedication to the fair and equal treatment of students and their causes is commendable and exactly what the Council needs to continue to uphold the integrity of ASUCR. In addition, her previous exposure to the Judicial procedures will prove valuable to the Council as we navigate into the new school year with the newly ratified constitution.
